PROFESSIONAL SUMMARY

Supply Chain Management student at Rutgers Business School with hands-on experience in e-commerce order fulfillment, inventory management, and logistics operations. Proven ability to maintain order accuracy and efficiency in high-volume retail and fulfillment environments, coordinating across teams to support end-to-end supply chain workflows.

EDUCATION

Rutgers Business School, Rutgers, The State University of New Jersey
Bachelor of Science, Supply Chain Management. Minor: HR Analytics.

New Brunswick, NJ
May 2028

EXPERIENCE

Volunteer Cashier

Aug 2026 – Present

George Street Co-op

New Brunswick, NJ

- Stock and replenish inventory of healthy and organic groceries for a community-focused co-op serving the New Brunswick area at affordable price points
- Process point-of-sale transactions accurately, handling payment and register operations during store hours

Rutgers Team Shop Game Day Staff

Aug 2026 – Present

Follett Higher Education

New Brunswick, NJ

- Set up and break down merchandise locations at Rutgers sporting events across football, basketball, wrestling, soccer, and lacrosse
- Assist customers with product inquiries and operate point-of-sale registers using safe money-handling and secure transaction practices
- Restock and organize merchandise to keep the retail space fully stocked and properly priced throughout each event
- Support training of new team members on shift functions and store operations

E-Commerce Shopper

Jan 2026 – May 2026

Whole Foods Market

Metuchen, NJ

- Fulfilled customer grocery orders via smartphone fulfillment app, picking, scanning, and packing items with speed and accuracy, reaching over 120 units per hour
- Selected fresh produce and products in accordance with customer preferences and quality standards
- Staged completed orders in designated temperature-controlled areas, including refrigerators and freezers
- Communicated with customers via app regarding substitutions and assisted in-store shoppers with item location

Customer Service Employee

Jun 2025 – Oct 2025

DaVinci's Brick Oven Pizza

Upper Montclair, NJ

- Processed in-store and online orders during peak hours while managing the cash register and answering phone calls
- Handled point-of-sale transactions, including payment processing and tip management
- Delivered front-line customer service in a high-volume restaurant, maintaining satisfaction across indoor and outdoor dining

Healthy Living Intern

May 2024 – Jun 2024

The YMCA of Montclair

Montclair, NJ

- Recorded and tracked results for over 600 athletes competing in the annual Montclair Run fundraising event
- Conducted fitness class audits to evaluate member experience and deliver structured instructor feedback
- Organized HR records, sorting W2 files for YMCA staff to support office administration

Barista Trainer

Aug 2023 – Dec 2023

Applegreen USA (Starbucks)

Bloomfield, NJ

- Trained new employees on shift functions and partnered with management on onboarding and skills development
- Executed inventory management and restocked supplies including syrups, cups, lids, juices, and coffee beans
- Managed cash transactions and maintained accurate register balances throughout each shift

Front/Back of House Team Member

Aug 2022 – Dec 2022

Mochinut

Montclair, NJ

- Resolved unfulfilled online order complaints by comparing orders against delivered products, identifying discrepancies, and coordinating corrective fulfillment with customers and drivers
- Facilitated communication and translation among non-English-speaking staff to maintain efficient teamwork
- Rotated between cash register operations and production, maintaining pace during high-volume periods
